FRATERNITY AND SORORITY MEMBERSHIP

is a privilege only those who join can fully understand and appreciate. "Being Greek" is something all fraternity and sorority members should be proud to announce. In his program **Be Greek...Be Proud!**, Kevin uses humor, enthusiasm, and motivational strategies to emphasize and remind members why being Greek is such an honor. This presentation will rekindle, entertain and inspire Greek members to take action in their chapters, their communities and on their campuses.

Kevin's program is an ideal presentation for Greek Week events, recruitment programs, Greek Life receptions and Greek leadership conferences.

KEVIN SNYDER developed an early fascination with *The Price is Right* game show in high school. In college, his obsession continued and he actually arranged his schedule to never miss an episode. He even skipped his college graduation and drove cross-country to meet Bob Barker and to be a contestant on the show. You will never believe what happened to Kevin next...

Passion, Persistence & The Price Is Right is an entertaining, motivational and engaging program leaving audiences energized, empowered and inspired to pursue their dreams. Kevin relays his amazing story to help others focus on achieving goals through determination, finding passion in their lives and exploring how obstacles can be used as stepping stones to achieve future success. This program is a true story of how passion, persistence and a game show personally changed his life—and it can change yours, too.

Perfect for Orientation, Greek and Residence Life keynotes, campuswide presentations, Student Activities events, and more!
